Dear Mr. Weisberg,

Enclosed is a money order for $5.00 for which I would like to receive your Whitewash II. I have just finished your second book and was pleased with it. You are performing a great service and doing it well. I hope your books reach enough people to shake them out of their ~~lethargy~~ lethargy and cause them to closely read the Warren Report.

A local TV station just showed the program you were on with Jim Bishop, Mark Lane, Penn Jones, etc. It was cut, but they did show three hours of it. However, I am sure the program convinced some people that they should examine the Report.

I'll be closing now hoping you, your family and your books all the happiness and success.

I remain

Sincerely
Glen Myers
